

Science Club

Objective:

To ignite curiosity and a passion for discovery in young minds.

Goals:

- Make science come alive through hands-on experiments, exhibitions, and projects.
- Motivate students to explore, question, and innovate.
- Open doors to competitions and opportunities that take scientific learning beyond the classroom.

Library Club

Objective:

To cultivate a love for books and lifelong learning among students.

Goals:

- Encourage regular reading through engaging activities and challenges.
- Help students discover new genres, authors, and ideas.
- Create a welcoming space where knowledge, imagination, and creativity can thrive.

Arts and culture union

Objective:

To nurture the creative spirit of students through dance , music, drama, literature, and visual arts.

Goals:

- Inspire self-expression and foster cultural appreciation.
- Provide opportunities for students to showcase their artistic talents through shows and competitions.

- Strengthen teamwork, confidence, and community engagement through the arts.

Innovation Club

Objective:

To spark creativity, encourage problem-solving, and cultivate a forward-thinking mindset in students.

Goals:

- Provide a platform to explore new ideas and embrace technology.
- Develop innovative solutions to real-world challenges through hands-on experiences.
- Inspire curiosity and equip students with skills to become confident innovators and future leaders.

Commerce Union

Objective:

To promote commercial knowledge, practical business skills, and an understanding of economic principles among students.

Goals:

- Organize Commerce Awareness Day and Commerce Day celebrations.
- Publish books and resources to share knowledge.
- Conduct model market activities to give students real-world business experience.
- Host competitions to develop creativity, critical thinking, and entrepreneurial skills.

Hindu Association

Objective:

To preserve and promote Hindu traditions, values, and spiritual practices within the school community.

Goals:

- Organize and celebrate all major Hindu festivals.
- Perform special rituals on significant religious occasions.
- Arrange poojas and other ceremonies at the school temple to encourage spiritual growth and cultural awareness.

Physical Education Club

Objective:

To promote physical fitness, sportsmanship, and a healthy lifestyle among students.

Goals:

- Organize annual sports meets and athletic events at school.
- Train athletes and prepare them for interschool, regional, provincial, and national competitions.
- Encourage teamwork, discipline, and perseverance through sports activities.

Interact Club

Objective:

To develop leadership, responsibility, and a spirit of community service among students.

Goals:

- Organize service projects that benefit the school and local community.
- Promote international understanding and goodwill through cultural exchange and awareness activities.
- Provide opportunities for students to build teamwork, communication, and leadership skills.

Leo Club

Objective:

To empower young people to serve their communities, develop leadership skills, and foster personal growth.

Goals:

- Plan and carry out community service projects that create a positive impact.
- Provide opportunities for leadership development and teamwork.
- Encourage social responsibility, compassion, and active citizenship among members.

Computer Union

Objective:

To enhance students' digital literacy, technical skills, and innovative thinking through computing and programming activities.

Goals:

- Train younger students in typing and basic computer operations.
- Provide programming training for senior students.
- Organize quizzes and competitions to test and expand computer knowledge.
- Participate in and support innovation programs to encourage creative problem-solving using technology.

English Union

Objective:

To enhance students' proficiency in English and foster confidence in communication through diverse language and drama activities.

Goals:

- Encourage student participation in English language and drama competitions from class level to national level.
- Conduct weekly Thursday morning assembly programs to promote English usage.

- Celebrate English Day and publish the annual magazine Ladies Leap.
- Support students in participating in external competitions to aid their professional and personal development.
- Improve the four key English language skills: listening, speaking, reading, and writing.

A/L Union

Objective:

To foster friendship, cooperation, and unity among Advanced Level students.

Goals:

- Organize the annual get-together for Advanced Level students.
- Create opportunities for bonding and mutual support.
- Promote teamwork, collaboration, and a positive learning environment.

Tamil Union

Objective:

To promote the Tamil language, literature, and cultural values while developing students' communication and creative skills.

Goals:

- Prepare students for regional and national Tamil competitions, including essay contests.
- Train students to lead morning prayers and share good thoughts of the day.
- Organize and celebrate Tamil Day at school to honor the language and its heritage.

Photography Club

Objective:

To develop students' photography skills and create a visual record of school events and activities.

Goals:

- Capture and document photographs of school functions and special moments.
- Participate in photography seminars to enhance technical skills and artistic vision.
- Encourage creativity, observation, and storytelling through images.

Social Science Union

Objective:

To deepen students' understanding of history, geography, civics, and cultural heritage while encouraging critical thinking about society.

Goals:

- Organize activities, competitions, and exhibitions related to social sciences.
- Promote awareness of historical events, civic responsibilities, and global issues.
- Encourage research, discussion, and debate on topics that shape communities and nations.

School Band

Objective:

To cultivate students' musical talents and teamwork while enhancing school spirit, especially through performances at inter-house sports meets and other key events.

Goals:

- Provide rhythmic and musical support during sports meets, parades, and school ceremonies.
- Develop discipline, coordination, and confidence through regular practice and performance.
- Promote unity and pride by leading the march-past and fostering a lively atmosphere.
- Represent the school with excellence and uphold its traditions through quality music.

- **Ministry of Health, Nutrition & Sports**
- **Ministry of Agriculture & Environmental Development**
- **Ministry of Women’s Empowerment & General Administration**

Teachers Club

Objective

To build a united, supportive, and professionally engaged community of teachers who contribute to the wellbeing of students, foster a positive school environment, and celebrate the contributions and achievements of the teaching staff.

Goals

- Celebrate Important Occasions: Organize Children's Day, Teachers' Day, and other student- or teacher-centered celebrations.
- Honour Service & Dedication: Recognize retired teachers, long service awardees, and outstanding contributors.
- Provide Emotional & Social Support: Stand with members during both joyful and difficult times (illness, bereavement, personal milestones).
- Promote Professional Camaraderie: Strengthen teamwork, communication, and mutual respect among the teaching staff.
- Encourage Professional Growth: Participate in training sessions, workshops, and collaborative learning.

Board of Prefects

Objective

To develop strong student leaders who uphold school rules, promote discipline, and serve as role models while supporting the smooth functioning of school activities and fostering a positive school culture.

Goals

- Maintain Discipline & Order: Assist teachers in ensuring a respectful and orderly school environment.
- Lead by Example: Demonstrate punctuality, integrity, responsibility, and respectful behaviour.
- Support School Events: Help organize assemblies, ceremonies, and extracurricular programs.
- Strengthen Peer Leadership: Mentor younger students and encourage positive conduct.
- Enhance Communication: Act as a bridge between students and school administration.

St. John's Ambulance

Objective

To train students in lifesaving first aid skills and to develop a disciplined, service-oriented team that can respond confidently to emergencies within the school and community.

Goals

- Provide First Aid Training: Teach students essential lifesaving skills, CPR, wound care, and emergency response.
- Ensure School Safety: Support first aid needs during school events, sports, and emergencies.
- Promote Health Awareness: Conduct workshops on safety, hygiene, and accident prevention.
- Develop Discipline & Service: Cultivate responsibility, teamwork, and a sense of duty in students.

Girl guide

Objective

To empower girls to become confident, responsible, and community-focused individuals through teamwork, skill-building, leadership development, and value-based activities.

Goals

- Develop Life Skills: Encourage teamwork, problem-solving, craft skills, and independence.
- Strengthen Character & Confidence: Promote honesty, kindness, discipline, and leadership among girls.
- Encourage Community Service: Engage in service projects and volunteer activities.
- Promote Outdoor Skills: Participate in camps, hikes, and nature-related learning.
- Build Sisterhood: Foster friendship, cooperation, and mutual respect.

Capital stock exchange corporations

Objective

To build financial literacy and entrepreneurial skills among students by helping them understand stock markets, cooperative management, and responsible economic decision-making.

Goals

- Teach Financial Literacy: Provide basic knowledge of saving, investing, budgeting, and markets.
- Introduce Stock Market Concepts: Help students understand stocks, shares, trading, and economic trends.
- Encourage Entrepreneurship: Support business ideas, mini-ventures, and school-based enterprises.
- Develop Leadership & Responsibility: Involve students in managing cooperative activities.
- Promote Real-World Learning: Organize guest talks, workshops, and simulations of trading or business operations.

Environmental Club

Objective

To cultivate environmentally responsible students who actively protect, conserve, and improve their natural surroundings through awareness, action, and community involvement.

Goals

- Promote Environmental Awareness: Conduct campaigns on recycling, pollution control, and sustainability.
- Lead Eco-Friendly Projects: Organize tree planting, clean-up drives, and school gardening initiatives.
- Encourage Sustainable Practices: Reduce waste, promote energy conservation, and support green habits.
- Build Environmental Leadership: Train students to lead environmental teams and eco projects.

- Collaborate with Community: Partner with local environmental groups, councils, and organizations.
